

WE ALL USE PE-RU-NA IN OUR HOME

MRS. ANNIE TESCH.

Now Eats and Sleeps Well.

Mrs. Annie Tesch, 337 23rd Avenue, Milwaukee, Wis., writes: "When I wrote to you for advice, my health was a total wreck. I could not sleep and thought I would die, as there seemed to be no help for me. But I followed your advice and took Peruna and Manalin.

"I am now cured. I can eat and sleep well, and enjoy life.

"I never will be without Peruna, should any of us be sick."

Catarrh of Worst Form.

Mrs. Amanda Long, 737 Seeley Avenue, Chicago, Ill., writes:

"I believe that I am cured of catarrh of the worst form and of long standing.

"I was almost a total wreck. I tried almost everything and doctored with a number of doctors, but they did me no good.

"I tried Peruna as a last resort, and by the time I had taken one bottle I could see that it was helping me, and so I continued taking it. I can say now that I have not felt the slightest symptoms for three months, and I think there is nothing like Peruna. I still keep it in the house, and think there is no medicine like it. I cannot praise it too highly, and bless the day that I learned of it."

Mrs. Judge J. F. Boyer, 1421 Sherman Avenue, Evanston, Ill., writes that several complications united in pulling her down, and she thanks Peruna for new life and strength.

Per-na Tablets.

For two years Dr. Hartman and his assistants have incessantly labored to create Peruna in tablet form, and their strenuous labors have just been crowned with success. People who object to liquid medicines can now secure Peruna tablets. Each tablet is equivalent to one average dose of Peruna.

Who is best able to judge of the value of Pe-ru-na? The housewife who has used it in her home for years, or prejudiced, sensational writers who have never used Pe-ru-na in their lives? It will not take any fair-minded reader a minute to decide which is the best evidence. The mothers of the United States believe in Pe-ru-na. The half million women who praise Pe-ru-na receive no pay for doing so, and the half dozen editors who disparage Pe-ru-na get big pay for doing so. Which is the best evidence?

Sore Throat for Years.

Mrs. C. Dasher, 384 Irving Avenue, Chicago, Ill., Curator Natural History Society, writes:

"I am glad to be able to recommend Peruna for chronic sore throat. I had been troubled with sore throat for years, but could find nothing to help me. I had an awful gagging in the morning and was subject to dizzy spells. I could not draw a free breath and life had no pleasure for me. My throat was dry and parched.

"I supposed I was doomed to spend the rest of my days in this condition, when I heard what good Peruna had been to others, so I tried a bottle of it. After using it I was much better and six bottles of it cured me.

"I cannot say too much for Peruna, and I hope that some poor sufferer like myself will see this and give it a trial."

MRS. J. C. RUSSELL.

Acute Indigestion.

Mr. John C. Russell, 810 County Street, Portsmouth, Va., writes regarding his wife's case as follows:

"I thought it would be doing but justice to your great medicine to tell you what it has done for my wife.

"Two years ago the doctor called at our house, on an average, three times a week, in attendance upon my wife, who was suffering from acute indigestion. Her suffering was so great that nothing but morphine would give her relief.

"While on a visit to some friends in Norfolk she had an attack and I prepared to go for the doctor, when our friend proposed Peruna. I gave her a dose, repeating it in a half hour, and her pains passed away. Since that time my wife has gained thirty pounds.

Gained Thirty Pounds.

"We are never out of Peruna. When the children or I have a cold we take some of mamma's Peruna. I find it has cut my doctor bills down to almost nothing."

MRS. C. DASHEL.

Pe-ru-na for Her Children.

Mrs. Alice Bogle, 803 Clinton St., Circleville, Ohio, writes:

"I want to inform you what Peruna has done for me.

"I have been afflicted with catarrh for several years. I have tried different medicines and none seemed to do me any good until I used Peruna. I have taken six bottles and can praise it very highly for the good it has done me. "I also find it of great benefit to my children."

D. R. PERRY'S BIG LIST.

Enlists One Hundred New Recruits For Tobacco Association.

PLEA FOR GOOD ORDER.

List Embraces Practically All of the Farmers in His District.

Perry's School House, March 26th, 1908.— Editor Kentuckian:

As you so kindly offered to publish the names of all the new members who joined the Dark Tobacco Association under the "Probationary Resolution," or as my old friend Stegar of Beverly would say, "Under the watch care," I send you enclosed 100 names from this district, representing 629 acres of tobacco to be grown and sold through the Dark Tobacco Association during the year 1908. But few of the names appearing were ever members of the Association until now—all of them are new recruits and will be a credit to the organization. Adding this new list to that of the older members makes this section practically solid for the Association.

Knowing these people as I do, you and all other law-loving and law-abiding folks can rest assured that there is no material in the list out of which you could make a night rider. I believe that I can say truthfully that these people would rally around the officers and law preserving element of the county as quickly and go as far to preserve the peace and dignity of the Commonwealth of Kentucky as any set of men in the county or State.

Hoping now that the people will get busy; that law and order will prevail; that night riding, barn burning, plant bed scraping and all sorts of outlawry will stop; that the farmers and business men will go to work and that all cities, towns and hamlets will be happy; that the dry goods box orators will control their tongues and the "Ananias Club" adjourn, and that all may forget the past, watch, protect and defend the present and the future, is the wish of your friend,

D. R. PERRY.

"MAID OF WINCHESTER"

School Teacher Who Defied Gov. Willson in a Public Speech.

Louisville, Ky., April 1.—Standing in the fierce white light that beats down on the Kentucky tobacco war is a woman, who dresses in black, with a sparkling blue eye that can look daggers when the occasion demands it, and with a brilliant mind, and a keen tongue that knows where and when to do the most effective lashing. She has a soft, sweet voice and culture and refinement are apparent in every utterance and movement. She is the Joan of Arc of the Burley tobacco growers. Miss Alice Lloyd, the spokesman of "40,000 of the best men on earth, who wear brown jeans."

Miss Lloyd is perhaps thirty-five years old. Her home is in Maysville, but she is now the head of a girls' school at Richmond, and recently volunteered her services to write a series of articles for the American Society of Equity. Many of her articles have appeared in publications in the Bluegrass.

She left Monday morning for Winchester, the headquarters of the Burley Society. She was asked for a photograph of herself. "Oh, no," she replied, "Why, I never dreamed what I said would bring me into such notoriety. I never had a picture taken in my life, and I never shall."

JOE HAYDEN

Bad Lunatic From Daviess Sent Back to Asylum.

Joe Hayden, the Daviess county man, who shot Deputy Sheriff Weir and another man before he was captured, has been adjudged insane and is coming back to the asylum, in which he was once confined. The Inquirer says:

"At the conclusion of the testimony Judge Owen ordered Hayden back to jail, as it was not deemed best to have him in the court room when the expected verdict was read. He has made many threats as to what he will do if they attempt to take him back to the asylum at Hopkinsville. Judge Owen has already notified the asylum authorities and advised the sending of two strong men with handcuffs. The jury deliberated but a short time when they returned a verdict. Hayden was born in McLean county in 1863, and he was once sent to the asylum from that county and was sent a second time from this county."
